## Special Notice

It is with sadness that I announce the Dr Jack Hoffman Chapter, in Miami, Florida, has disbanded. There were many reasons. The President Gloria White is moving to Jacksonville, Florida. Membership is less than 10. No one was able to step into the President's position. The show scheduled for October 2, 2005 is cancelled. Any judges planning on attending as your third show for the year contact Randy Cox. Sunset Chapter will have a show on October 9, 2005. Let Rita Hall know and we may be able to fit you in there.

Rita

## In Memory Of

James Wiley of the Central Florida Chapter passed away in May, 2005 of a heart attack. James was always the first to have blooms at the Chapter Show.He was the first member of Central Florida Chapter to be a judge.He shared his plants with others. The Chapter President says of James, It's not what we have, but what we share. He will be missed.

Beverly Brubaker, MAL, passed away August 31, 2005. Beverly was a member of the former Indian River Chapter. Beverly and her husband, Norman, were active in the Society for many years. Beverly was Editor of *The Seed Pod* for a while. The Norman Brubaker Traveling Trophy awarded for judges' favorite bloom, is named for her husband. Beverly continued to judge despite health problems. She carried blooms everywhere she went until the day she died. She was 87 years old. She will be missed.
